At this meeting, Dr. Lombard will talk about our Title I program and be available to answer any questions you might have. The following topics will be discussed:

- The regular curriculum used at our school
- The Title I Program at our school
- How students are identified for Title I
- The assessments we use and what they mean
- The proficiency levels we will help your child to meet
- How you can be involved in the Title I program at school

We look forward to seeing you at the meeting!
