

Meet the Counselor

Dr. Queen was born in North Carolina. She is married and has 2 daughters. She received her Bachelor of Science in Psychology from Fayetteville State University in North Carolina and her Master of Arts in Counseling from Liberty University in Virginia. She also obtained a Ph.D. in Psychology from Northcentral University in Arizona. She has worked as a school counselor for over 25 years and has experience teaching psychology at the community college level. She has also worked as a College & Career Counselor here in Pennsylvania.

Dr. Queen loves working with high school students as she is big on building relationships. She encourages every young person to relish every positive experience presented to them. Some of her hobbies include traveling, baking, and experiencing new things.
